Nestled in the sought-after community of Lomas Encantadas in Rio Rancho, this stunning Jane floor plan combines luxury finishes with thoughtful functionality. Featuring an optional flex room, 3-car garage, and added powder bath, this home offers the flexibility and space today's homeowners crave.

Natural light fills the home through a foyer skylight, a dramatic 4'x2' skylight above the kitchen island, and expansive glass doors that create a bright, welcoming atmosphere. The gourmet kitchen is a true showstopper, showcasing Level 4 Valbella Gold quartz countertops, a 36" gas cooktop, double ovens, an oversized island, upgraded cabinetry with soft-close doors and dovetail drawers, and optional buffet cabinets perfect for entertaining.

The great room centers around a beautiful fireplace with a custom mantle and matte black tile surround, creating the perfect gathering space. Additional luxury touches include 8-foot interior and exterior doors, skip-trowel wall texture, designer lighting, SPC flooring, a frameless shower door with rain showerhead, and a convenient door connecting the owner's walk-in closet to the laundry room.

Outside, enjoy an expanded covered porch, while the 3-car garage offers overhead storage, extra-tall garage doors, and an EV charger prewire. With smart-home features, enhanced insulation, and premium finishes throughout, this Jane delivers the perfect blend of sophistication, comfort, and modern New Mexico living.
