Located in Scottish Isle in Rio Rancho, the Jane floor plan pairs flexible living with a bright, welcoming feel. An optional flex room at the garage and an added powder bath give you extra space to work with, while a foyer skylight and 8′ slider bring in beautiful natural light throughout.

The kitchen makes a statement with Bluzonite Level 3 granite counters, Hayden Biscotti cabinetry with 42″ upper cabinets, and an apron-front single basin sink — all paired with a stainless appliance package and gas range for effortless everyday cooking. Crisp Snowbound white trim and doors add a fresh, clean contrast throughout the home. The baths are equally polished, with satin silver tile, a spacious 60″ frameless shower door, and comfort-height commodes. Add in a handy laundry-to-closet door, upgraded Satin Nickel lighting, a tankless recirculating water heater, overhead garage storage, and an EV charger prewire, and the Jane offers comfort and style in one of Rio Rancho's favorite communities.
