Inspired by the elegance of Coco Chanel, the Coco II is a sophisticated and versatile 2-story home spanning 2,963 square feet up to 3,244. This spacious home features 4 bedrooms and 2.5 bathrooms, with options to expand up to 6 bedrooms and 4.5 bathrooms, catering to families of all sizes and needs. A 3rd car garage is also available as an option, offering even more convenience.

Designed with flexibility in mind, the Coco II is perfect for multigenerational households or those seeking ample living space. The open-concept layout provides a seamless flow between living areas, while private retreats ensure comfort for every member of the household. This home combines luxury and practicality, making it a timeless choice for modern living.
