1,523 Sq. Ft.

Located in Mesa Del Sol in Albuquerque, the Zinfandel floor plan feels bright and welcoming from the moment you step through the 8′ front door. An 8′ slider and 8′ interior doors add height and light to every room, while an ERV fresh air intake and smart home features quietly keep the whole house comfortable and efficient.

The kitchen stands out, with Bluezonite granite counters, Group 1 cabinetry in a warm Chai Latte finish with a deluxe stagger layout, and a stainless appliance package with a gas range for everyday cooking. The baths feel fresh and polished, with satin silver accented tile, a 60x36 mosaic-tiled shower floor, adult-height granite vanities, and comfort-height commodes. Brushed nickel hardware and fixtures, a Level 2 ceiling fan in the great room, and upgraded Satin Nickel lighting carry the look through the home. Add in extra USB outlets, overhead garage storage, and an EV charger prewire, and the Zinfandel is a comfortable, thoughtfully finished home in one of Albuquerque's most exciting communities.
