Located in Mesa Del Sol in Albuquerque, the Zinfandel floor plan welcomes you home with handsome exterior cultured stone and a bright, open feel the moment you step inside, thanks to an 8′ slider that lets the natural light pour in. Fresh air ventilation and smart home features keep comfort and convenience built right in.

The kitchen is warm and functional, with White Sand quartz counters, Lancaster Porter cabinetry in a deluxe stagger, and a stainless appliance package with gas range ready for everyday cooking. Crisp Pure White trim and doors against Alabaster walls add a fresh, clean contrast throughout. The baths feel just as inviting, with oil-rubbed bronze tile and fixtures, a bench seat in the shower, and a 48″ frameless shower door for a relaxing finish to the day. Add in overhead garage storage and an EV charger prewire, and the Zinfandel offers comfort, style, and everyday ease in one of Albuquerque's desirable communities.
