Introducing the "Jane" floor plan, a single-story haven designed with an open concept, perfect for those who love to entertain. The heart of this home is a versatile work center, serving as an ideal 'drop zone' for mail and keys while doubling as a functional workspace. For added convenience, the work center can be transformed into an optional powder room. The plan boasts a primary suite with an oversized shower, a buffet in the dining area, and an expansive covered patio. Additionally, a tandem garage offers flexibility for conversion into a versatile flex space. In honor of Jane Addams, this home embodies a spirit of community and functionality.
