Located in Vista Manzano in Los Lunas, the Maya floor plan offers a bright, open layout with stylish upgrades designed for modern living. A vaulted ceiling, 8′ sliding glass door, and skylight in the guest bath fill the home with natural light, creating a warm and inviting atmosphere.

The beautifully appointed kitchen features Level 2 Bianco Tiza quartz countertops, 42″ upper cabinets, a gas range, stainless steel appliances, and a spacious island that's perfect for gathering. The owner's bath conversion creates a luxurious retreat, while SPC flooring, upgraded finishes, 8′ doors, and adult-height vanities add comfort and sophistication throughout.

Complete with an EV charger prewire, overhead garage storage, enhanced insulation, and thoughtful designer touches, the Maya delivers the perfect combination of style, function, and everyday comfort in the heart of Vista Manzano.
