Located in Vista Manzano in Los Lunas, the Selena floor plan offers open, comfortable living with upgraded finishes and thoughtful design throughout. The great room expansion creates a spacious, inviting atmosphere, while the optional covered patio and 8’ sliding glass door make it easy to enjoy New Mexico’s beautiful weather year-round.

Inside, the kitchen features upgraded cabinetry with 42” upper cabinets, shaker crown molding, a gas range, stainless steel appliances, and a spacious island perfect for gathering and entertaining. A mix of tile, SPC, and carpet flooring adds style and durability throughout the home.

Additional touches like adult-height vanities, a bench seat in the shower, upgraded finishes, and overhead garage storage bring extra comfort and convenience.
