HOME PRICED AT

$455,200

Plan: The Jane

2,164 Sq. Ft.

3 Bedrooms

2.5 Bathrooms

Located in Vista Manzano in Los Lunas, the Jane floor plan offers flexible living with warm, upscale finishes throughout. An optional flex room at the garage and an added powder bath give you extra space to make your own, while a foyer skylight and 8′ slider fill the home with natural light.

The kitchen feels bright and inviting, with White Sand quartz counters, Chai Latte finished Group 1 cabinetry in a deluxe stagger, and a counter-height island perfect for gathering. A stainless appliance package with a gas range makes everyday cooking easy, while crisp Pure White trim and doors against Aesthetic White walls add a fresh, clean look throughout. The baths feel just as polished, with satin silver tile, a spacious 60″ frameless shower door, and comfort-height commodes. Add in a handy laundry-to-closet door, upgraded Satin Nickel lighting, overhead garage storage, and an EV charger prewire, and the Jane offers comfort and style in one of Los Lunas's most welcoming communities.

Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Printed material is not date stamped. Prices are subject to change. Please reference Abrazo Homes' website for most updated and accurate pricing and information. Please contact your Sales Consultant for details.
