Located in Lomas Encantadas 1E in Rio Rancho, the Jane floor plan combines flexible living with upscale finishes and modern convenience. Featuring an optional flex room, 3-car garage, and added powder bath, this home is thoughtfully designed to fit your lifestyle.

Natural light pours in through two skylights and an 8′ sliding glass door, creating a bright, open atmosphere. The kitchen is a true centerpiece with Level 4 Valbello Gold quartz countertops, upgraded Group 3 cabinetry with soft-close doors, a spacious island, gas slide-in range, and stainless steel appliances. A blend of SPC flooring, tile, and carpet adds both beauty and durability throughout the home.

Additional upgrades include a convenient door connecting the laundry room and walk-in closet, adult-height vanities, a frameless shower with bench seat, upgraded lighting, overhead garage storage, and an EV charger prewire. With premium finishes and smart features throughout, the Jane offers luxury, flexibility, and everyday comfort in one of Rio Rancho's most desirable communities.
