Located in Lomas Encantadas in Rio Rancho, the Selena floor plan offers spacious living with elevated finishes throughout. A great room expansion and an 8' sliding glass door create an open, light-filled space, while the optional covered patio extends your living outdoors.

The kitchen features quartz countertops, a white farmhouse workstation sink, stainless steel appliances, and upgraded cabinetry with a deluxe staggered design. Thoughtful touches like a bench seat in the shower, adult-height vanities, and a modern lighting package add comfort and style.

Complete with a 3-car garage, overhead storage, EV charger prewire, and smart home features, the Selena delivers the perfect mix of functionality and modern design.
