Welcome home to the Jane in Scottish Isle, Rio Rancho, where everyday living feels a little more effortless and a lot more you. A flexible bonus room off the garage gives you room to dream (home gym? office? your call), while an added powder bath keeps guests happy and a foyer skylight fills the entryway with warm, natural light. Oversized 8′ doors throughout, front, interior, and slider make every entrance feel a little grander.

Step into a kitchen built to impress, with gleaming White Sand quartz counters, stylish Concord Porter cabinetry, and a stainless appliance package (gas range included!) ready for your next dinner party or lazy Sunday pancakes. The baths are equally swoon-worthy, dressed in rich oil-rubbed bronze finishes with a sleek frameless glass shower and bench seat for pure spa-day energy. And the little luxuries keep coming: never wait for hot water again with the tankless recirculating system, tuck away clutter with overhead garage storage, and future-proof your driveway with an EV charger prewire. The Jane isn't just a home; it's an upgrade to your whole lifestyle, tucked into one of Rio Rancho's most sought-after communities.
