## The Maya – Modern Comfort with Smart Design in Scottish Isle

The Maya floor plan offers the ideal mix of style, practicality, and future-ready living. Featuring 3 spacious bedrooms and 2 bathrooms, this home shines.

Enjoy SPC flooring paired with plush carpeting, a gas range for culinary enthusiasts, and stunning level 3 quartz countertops that elevate your kitchen's look and feel.

The 2-car garage includes overhead storage and comes pre-wired for an EV charger, making it as functional as it is forward-thinking.

A covered patio lets you take full advantage of New Mexico's incredible weather—all set within the beautifully planned Scottish Isle community in Rio Rancho.

The Maya blends comfort, convenience, and modern living—exactly where you want to be.
