UNDER CONSTRUCTION

HOME PRICED AT
$475,105

Plan: Selena

1,853 Sq. Ft.

3 Bedrooms

2.0 Bathrooms

Located in Scottish Isle in Rio Rancho, the Selena floor plan is all about comfort and easy living, with a great room expansion giving you extra space to spread out and an optional covered patio ready for morning coffee or evening wind-downs. An 8′ slider and matching 8′ front and interior doors bring in plenty of light and make the whole home feel open and inviting.

The kitchen is a warm gathering spot, with crisp Frost quartz counters, cherry Walsh cabinetry with 2″ shaker crown and 42″ uppers, and a counter-height island that's perfect for casual meals or entertaining. A stainless appliance package with gas range makes cooking a pleasure. The baths feel equally polished, with satin silver tile, a 60″ frameless shower door, brushed nickel fixtures, and comfort-height commodes throughout. Add in upgraded Satin Nickel lighting, overhead garage storage, and an EV charger prewire, and the Selena becomes a home that's as easy to love as it is to live in.

Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Printed material is not date stamped. Prices are subject to change. Please reference Abrazo Homes' website for most updated and accurate pricing and information. Please contact your Sales Consultant for details.
