Located on Seaforth in Scottish Isle, Rio Rancho, the Maya floor plan offers a bright, open design enhanced by a stunning vaulted ceiling and thoughtful upgrades throughout. Two skylights in the guest bath and utility room fill the home with natural light, while an 8’ sliding glass door creates a seamless connection to outdoor living.

The kitchen is beautifully appointed with Level 3 Colonial White granite countertops, 42” upper cabinets, crown molding, a gas range, stainless steel appliances, and designer backsplash and accent tile details. A blend of tile and carpet flooring, upgraded finishes, and adult-height vanities add style and comfort throughout the home.

Additional highlights include a frameless shower door, 8’ doors, overhead garage storage, and an EV charger prewire, making this Maya the perfect combination of modern convenience and timeless New Mexico living.
