Zocalo Interior Units – Where Modern Elegance Meets Southwest Charm

These interior condos at Zocalo offer two modern design options—warm browns or cool grays—so you can choose the look that suits you best.

Walk into a welcoming foyer that leads downstairs to an open great room with maple-style floors, clean finishes, and a kitchen that opens to a private, landscaped backyard—great for relaxing or having friends over.

Upstairs, the primary suite includes a second fireplace for extra comfort, plus a junior suite that works well for guests or a home office.

Set in the beautiful Zocalo community in Santa Fe, these homes are a smart mix of comfort, style, and convenience.

Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Printed material is not date stamped. Prices are subject to change. Please reference Abrazo Homes' website for most updated and accurate pricing and information. Please contact your Sales Consultant for details.
