**2 Elevations Available**

 2,746+ Sq. Ft.

 4 Bedrooms

 3 Bathrooms

 3 Car Garage

Strong and powerful in likeness to the 'Iron Lady' Margret Thatcher, our Thatcher floor plan is the luxury sport utility of homes. Our ready to be built Thatcher is an 'upscale' 2 story with the owners' suite on the first floor, all your daily living on a single level, tons of space and tons of flexibility. This plan has an oversized loft, and a flexible bedroom / study space down stairs and volume ceilings in living room. Finally, if you're looking for a party deck to enjoy the outdoors, this is the house!

Craftsman Elevation

Mission Elevation

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
